Dearness Allowance to Pensioners.

Continuation Sheet. File No. Current No. of Page.

619/Spl. 18.1.44.

U.O.No. 313/Pen. dated 15-1-44.

Returned with compliments.

The monthly cost of granting Dearness Allowances to the pensioners drawing a pension of Rs.40/- and below at the rates mentioned in the file will come to Rs.27,020 or Rs.30,000/- in round figures. The total cost per annum will be Rs.3,60,000/-. This figure can only be taken as minimum as the number of pensioners are increasing every day though there may be some reductions due to deaths.

If the allowance is sanctioned, the question as to whether the entire amount has to be borne by Government and it has to be borne by the Local and Other Funds in cases in which such pensions are borne by them according to the rule of proportions has also to be decided.

The grant of this allowance will also involve extra work in this office.

M Shamanna
Comptroller
17/1

So far as the British India is concerned, the Govt of Madras appear to have sanctioned dearness allowance to the pensioners of that Govt who are in receipt of pensions of Rs 10/- and below per mensem. (Flag R)

10) Representations are

being received from the pensioners of the State that similar concession as in the case of pensioners of the Govt of Madras may be shown to them, as conditions have become abnormal on account of the increase in the cost of living due to War.

Class of Pensioners	Rate of Allowance
1) Those drawing pension of Rs. 20/- and below per annum	3/-
2) Others	4/-

11) If the same rate of allowance as in Madras, were to be allowed to the pensioners here also, it is estimated by the Comptroller, that this proposal would involve an extra cost of at least Rs. 3½ lakhs per annum.

17) The Statement (H.P.) gives a list of petitions received, and Interpellations in the R.A.

18) While in the case of persons in service, there is the necessity of the employer giving relief so as to enable the employee to give efficient service, pensioners stand on a somewhat different footing as the amount of pension given is definitely fixed solely with reference to the past history of the official and not on the basis of providing a minimum living wage or fluctuating emoluments according to changing circumstances. The basis

19) Nevertheless, their case appears to call for consideration on the ground that persons who have given their best services to the State in the past should not be allowed to undergo acute suffering on account of unforeseen emergent conditions without some relief. How that action in this respect has been taken in Br. India also, the question of extending similar relief here also is for consideration. From the petition in the file & from the Press cutting from Hindu d. 16.12.43, it is gathered that in Madras "Dearness allowance is at following rates is allowed to persons drawing

(As the exact information is not available it may if necessary be obtained).

Submitted to His Highness.

Several representations have been received from the pensioners praying for some relief in view of the hardship caused by the present high price of food-stuffs, and the need for affording relief to them has also been urged by the Representative Assembly and Legislative Council.

The Government of India, as well as the Government of Madras, have granted relief to the retired employees of the respective Governments, who are in receipt of pensions (civil) not exceeding Rs. 40/- per mensem, on the scales indicated below:-

Class of Pensioners.	Rate of allowance.
1. Those drawing Rs. 20/- and below per mensem ...	Rs. 3/-
2. Those drawing in excess of Rs. 20/- but not in excess of Rs. 40/- per mensem	Rs. 4/-

Pension for the purpose of admissibility of Dearness Allowance includes the commuted portion also, if any. Persons in receipt of pensions higher than Rs. 40/- per mensem but not higher than Rs. 44/- per mensem will receive such an amount as will bring the total pension up to Rs. 44/- per mensem.

It is proposed to grant relief to the retired employees of this Government in receipt of a small pension, at the same rates with effect from 1st April 1944, till the end of December 1944. The extra cost on this account is estimated to amount to about Rs. 30,000/- per mensem.

The Ministers are agreeable to the above proposal and I solicit the gracious approval of His Highness for the same.

Financial Secretary to the Government
of Mysore, Bangalore.

Sir,

Dearness allowance to small scale pensioners.

With reference to your letter No.Fl 250/S.& A.12-44-2 dated 15-7-44, I have the honour to request you kindly to obtain orders of Government in regard to payment of dearness allowance to the following class of pensioners:

1. Pensioners who draw their pension wholly from Local Funds, such as Municipalities and District Boards.

2. Pensioners who draw their pension whooly from Palace Funds.

I have the honour to be,
Sir,
Your most obedient servant,

M Shamanna
Comptroller.

76) Dearness Allowance has been sanctioned to certain retired employees of Govt.

77) In this connection the Audit office is raising doubts as to its applicability from the Govt order clearly states that it is applicable to the retired employees of Govt. By the term 'retired employees of Govt' is meant the employees of Govt whose pension is met either wholly from the General Revenues or partly from the General Revenues

and partly from local or other funds according to the Rule of Proportions.

78) As such pensioners who draw their pensions wholly from the Local Bodies or the Palace are excluded from the purview of G.O dated 18/5/44 sanctioning certain rates of dearness allowance to the retired employees of Govt

79) Submitted for orders

Sd/- 80) The Compt. may be informed that ~~under~~ the
5/8/44 Go in question contemplates only retired employees of Govt drawing their pensions either wholly or partly from the General revenues. But it is for consideration whether the question of extending the concession to Municipal or palace employees who have retired & who are not dissimilar to retired officers of Govt may be taken up by the R.S.G & P.P. Section & considered on merits if appl. The file may be refd to those Section after intimation to Comptroller as explained above.

By
7.8.44

81) I think the Dearness allowance is meant to be allowed to all pensioners who have served wholly or partly in Govt. service ~~and~~ Even those who have served under local bodies and entirely draw pension from such bodies may also perhaps be allowed the allowance ~~pensions — on exhaustion being met by Govt. revenues~~ This is a ~~matter of~~ general

82) As regards the cost on this account, the local bodies will have to meet the cost logically, but it is ~~doubt~~ doubtful if they will agree to this or are in a position to meet it. and The L. S. G. Branch may be consulted. If the relief is considered as a general measure of relief, the question of Govt. meeting the cost out of general revenues as a matter of grace may be considered if the local bodies are unable to meet the charge.

14. (Whether they can be compelled to do so.)

83) Re: Pensions paid entirely out of Palace Funds, I do not know why the Comptroller has raised the question at all, and what position the Comptroller occupies with reference to these pensions

~~These pensions are not sanctioned by Govt. for these pens~~

It is a patent fact that the small pensioners like us are struggling hard to make both ends meet in these days of hardship and high Prices which is universal everywhere. We will consider it a boon if some concession is shown to us in these hard days.

Sir,

In submitting herewith the representation of some of the pensioners in Mysore who are members of this Society in the matter of the grant of Dearness Allowance, I beg to bring to your kind notice that the Governments of Punjab, Berar, United Provinces and Madras have sanctioned such allowances to such of their pensioners whose pension is Rs 40 & less. In the Central Legislative Assembly, New Delhi, held on 7th March 1944 the Finance Member has also stated

P.T.O.

that Dearness Allowance [redacted] been sanctioned to all pensioners drawing Rs40 and below. A copy of the notification of the Gazette of India dated 25th November 1943 is also enclosed for ready reference.

In this connection, I wish to refer to your kind reference to the Editorials in "The Hindu" dated 17th December 1943 and in "The Tamil Nadu" dated 9th March 1944 and request you to kindly place the hardships of the pensioners before the Government of His Highness The Maharaja of Travancore, invite your strong support and suggest some way to afford relief to this deserving and faithful class of Government servants who have toiled hard for 25 to 30 years in the discharge of Government work.

This matter was considered at a meeting of this Society held on 6.3.1944 and an extract of the resolution is also submitted herewith for favour.

As the prices of food grains and other articles risen by 200 to 300 per Cent of pre-War rates and as it is very hard to make both ends meet for the present poor pensions, it is hereby prayed that their representation

may be viewed with sympathy and that Pensions Allowances granted as in British Provinces at a very early date.

Dear Sir,

Your kind attention is invited to the editorial in the Hindu of the 17th instant wherein it is stated that the Govt of Madras have just now sanctioned a ~~increase~~ allowance to pensioners. The helplessness of this class is promptly asserted to in that connection by the editor. In the circumstances, may we request you to lay before the Govt of H. H. the Maharaja of Mysore the claims of this large class who are not in a position to resort to public agitation of any kind and secure for them some relief as the times extended in Madras by that Government.

We also request you to take advantage of the opportunity now available viz; the sittings of the Legislative Council and request you to take action to ~~petition~~ some of the members of the assembly to take a short time question to draw the attention of the Government to the fact and also to enquire if the Government would be pleased to consider the desirability of granting a similar help to its pensioners who have given the best years of their lives to carry out the various onerous duties of public administration what we ask here, is only what Government has been allowing to salaried people in their service. Considering the times we are living in ~~with~~ ruling prices of foodgrains.

The Dewan of Mysore,

BANGALORE

Sir,

We the undersigned pensioners beg to approach you with the following few lines for your sympathetic consideration and favourable orders.

Acknd 6.1.44

Referring to the publication, dated 18th December 1943 (column 3, Page one) of the Mysore Patrike and the Indian Express of the same date stating that the Madras Government have passed orders sanctioning War Allowance of Rs.3/- to the Pensioners ~~xxx~~ under Rs.20/-, and Rs.4/- to the Pensioners above Rs.20/- and below Rs.40/- per mensem. We learn that our benign Government of India have also passed orders in the matter.

It has become very difficult (not ~~xx~~ to express in words) to eke-out our livelihood in these hard days with the small pensions (honorariams) we receive, whereas the officials who are in service are being granted an allowance of Rs.5/- per mensem without any consideration of grades ~~xxx~~ within Rs.50/- by our benign Government in addition to their pay.

Pension is being paid by our benign Government to the retired officials for their honest service of 30 years and even more. As such, even after their retirement it is construed that they are also Government servants.

In the above circumstances, we beg of you Sir, to kindly consider our humble prayer sympathetically and sanction an allowance of Rs.5/- per mensem as in the case of officials in service from the date from which they are granted.

In the meantime we beg to draw your kind attention to our previous petitions in the matter.

For

For which act of kindness we shall be ever grateful to you Sir, and pray for your long life and prosperity.

We beg to remain,

The Hon'ble Pradhanasiromani N. Madhava Rao, B.A., B.L.,
Dewan of Mysore, Bangalore.

Sir,

In the present food crisis which has rendered the struggle for existence too fierce to resist, we poor pensioners of the State drawing pensions varying from Rs. 20/- to 40/- feel strongly induced to apply to you for an allowance such as is being paid to Public servants now in service. What with the scarcity of food, the price that we have got to pay for our necessaries and the lowering, consequently of the purchasing power of the rupee, we are extremely suffering and therefore need all the help that Government can do for us in this behalf. Having served our periods as Government servants we raise our voice against the present crisis and we humbly hope that the same will be heard by our past Masters. We beg to bring to your notice the fact that the United Provinces Government have ordered the grant of a Dearness Allowance of Rs. 3/- in the case of Pensioners drawing Rs. 20/- and Rs. 4/- in the case of those drawing Rs. 40/-.

We therefore respectfully pray that our cry will be heard by you and that you will graciously follow the United Provinces Government and do us the mercy of enabling us to minimise our sufferings reasonably.

We remain, Sir,
Your most obedient Servants,

Abdul Rahim.

PETITIONERS: The pensioners of the several departments of Government drawing their penisons from the Nanjangud Taluk Treasury, Mysore Dist.

S U B J E C T: Praying for the grant of dearness allowance to the above petitioners on account of prohibitive rates of food grains sold at present.

--ooo--

Respected Sir,

We, the petitioners, named above respectfully beg to bring to the benign consideration of Govt. that as the food grains mainly required by the general public are being sold at prohibitive rates, the purchase of which is beyond the reach of the petitioners since the commencement of the war, on account of petty amounts of pensions drawn by the petitioners.

2. We further beg to state that the benign Govt. of H.H.the Maharaja have been pleased to sanction, since the commencement of the war, to the officials of several departments of Government whose pay is less than Rs.100/-, a dearness of food grains and that they have been drawing the same with retrospedtive effect. We, the poor pensioners whose circumstances are worse than those of officials, as they have to maintain a large family with the poor pension they are getting in these days of high rate of food grains, are therefore, put to great inconvenience and hardship to

P.T.O.

to purchase the food grains required for our family, and as such some of the members of certain families have been really starving due to insufficiency of funds to purchase the food grains required at the prohibitive rates.

3. It may not be out of place to mention here that we, the pensioners submitted a petition to the Government some months back, praying for the grant of dearness allowance similiar to that granted to the officials in service. But, We are not fortunate to have it till now.

4. We may be permitted to submit herewith a cutting of "JENAVANI" a canarese daily news paper dated 2nd December 1943 which is being published in Bangalore. It will be seen therefrom that the benigh Government of India have recently sanctioned the enhancement of pensions to the pensioners till Rs.40/-. served under their Government therby alleviating their thirst.

5. We further beg to submit that we have and have been suffering to a great extent since the Commencement of war and that now is the high time to claim a similiar or greater help by the Government of H.H. the Maharaja of Mysore as the one shown to the pensioners of the Government of India and that with retrospective effect.

6. Lastly, in view of the above circumstances, we, the petitioners pray that the Government will be graciously pleased to sanction the enhancement of our pensions in accordance with the scale lied down

above raising the limit of pension to Rs.50/-, at least and thus protect the poor and helpless pensioners.

The payment of Dearness Allowance by Govt. is confined to persons at present actually in the employ of Govt., as in the neighbouring provinces.

The amount of pension of a retired officer is definitely fixed on the basis of the past record of service and is not subject to variation by Govt., with change in circumstances.
